THE HAWK IDENTITY

Hawk Granito, based in Morbi, Gujarat, is a leading manufacturer of premium surfaces including GVT/PGVT, double charge, full body, parking tiles, along with a growing range of sanitaryware, tile adhesives, epoxy solutions, and designer mirrors.

With advanced technology and automated production, we deliver products that blend style, strength, and durability across every category.

Trusted in India and abroad, Hawk serves architects, designers, and homeowners with solutions designed to elevate every space — from flooring to finishing.

COMPREHENSIVE PRODUCT RANGE

Hawk Granito, based in Morbi, Gujarat, manufactures premium surfaces in multiple sizes — 300x300mm to 800x1600mm — across GVT/PGVT, double charge, full body, and parking collections.

The art of curating surfaces that merge design and purpose, crafted to inspire every environment with timeless elegance.

The art of shaping materials with precision and balance, where strength meets refined aesthetic harmony.

The art of redefining modern living through innovation, creating surfaces that stand for quality, beauty, and durability.

THE ART OF CRAFTING SURFACES THAT UNITE INNOVATION, DESIGN, AND FUNCTIONALITY.

The art of creating surfaces that reflect design excellence and craftsmanship, where every texture tells a story of innovation and precision.

The art of blending strength with sophistication, crafting tiles that embody timeless beauty and lasting durability.

The art of shaping spaces with purpose and elegance, where Hawk defines the future of modern surfaces.
